

PROVISIONAL TRANSFER LIST [ROUND 01] – ATD 2026
GENERAL INFORMATION TO ALL CONCERNED (Dated 26.03.2026)

1. The enclosed list containing transfer of employees in round 01, is purely **PROVISIONAL** and should not be treated as Final Transfer List.
2. The list contains two categories of transfers i.e., “**REQUEST TRANSFER**” and “**DISPLACEMENT TRANSFER**”. All categories of transfer except those marked as “Displaced”, are request transfer (PH, Medical, H/VH/SH, Spouse/Single Lady/DFR, Plain, Rotational).
3. **Efforts have been made to execute allotment to aspirant NVS spouse cases as per circular 2-1/2026-NVS(Estt.II)/ATD/5023 dated 27.01.2026. Please refer to the circular for further clarification.**
4. Merely presence of name of an employee in the provisional transfer list (round 01), does not cause relieving of any employee from his/her present station. Relieving of employee may extend from April 2026 end till May-June 2026 (the vacation period), the transfer request of employee due for retirement during this period, has not been entertained by the automation system.
5. In respect of any pending court cases before any Court of Law, transfer orders (as and where applicable) will be issued with the leave of the Hon'ble Court considering the subjudice status of the specific case.
6. Any employee under displacement, if did not get posting due to non-existence of his data in the system, can not participate in Round 02. In such cases, allotment will be finalised during display of Final Transfer List or thereafter.
7. Any employee under displacement, if did not get any allotment for want of Actual Vacancy, can apply in round 02 against available resultant vacancy (if any) to seek allotment, else his/her allotment will be finalised in during the display of Final Transfer List. Employee under such cases will be informed separately too.
8. Cancellation/modification of any transfer shall be subject to provisions of para 3.(l) of NVS Transfer Policy 2021 which can not be taken as precedent and hence can not claimed as a matter of right.
9. **Separate notification for launch of Round 02 will be made shortly.**
10. **“Grievance Round” shall only be executed after accomplishing automation round 02 and display of “Final Transfer List”.**
11. The list (pages 01 to 85) is issued with the approval of the Competent Authority and displayed in the public domain for information to all concerned.
12. Errors, if any, are subject to rectification strictly in accordance with the provisions of Transfer Policy/guidelines.
